No. 6, Pa. av., bet. 7th & 8th sts. "NONE NEED DESPAIR."

All must admit there never has been given such a mass of genuine testimony in fuvor of any other medicine. Give is a trial! It cures when all other remedies have foiled. Greater weight of testimony cannot be given—from the first men in this country.

BALLIMORE Sept. 18, 1851.

BALTIMORE, Sept. 18, 1851. GENTLEMEN: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general prostration of my system, the result of taking three botties of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the injulibility of the Tincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Kespectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

Messrs. Mortimer & Mowbray, Baltimore, Md. ound has I am pleased to say

Try IT and be cured.—Wonderful. and Permanent Cure of Dyspersia.

Messes. Mortimer & Movelray.—Gentlemen: This is to certify that in the year 1843 I was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me,) and at length all efforts falled to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the set of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had discuse of the heart, from frequent tiressing pains about the same; as also my cheet and abdomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or wealk with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this incaluable Tincture, to improve daily, until I had taken the contents of three bottles, which, under Divine Providence, made a perfect cure of me.

Tincture, to improve daily, until I had taken the contents
of three bottles, which, under Divine Providence, made a
perfect cure of me.

I found I had an excellent appetite, and could partake
of any food, which I could not do for years previously
without the most distressing sensations. I now enjoy
uninterrupted good health, and have done so for the last
six years; and would say to all afflicted as I have been,
to cast aside your prejudices, and try Hampton's Vegetable
Tincture. Any information beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, WILLIAM M. OLDHAM,

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTMONE, Sep. 18, 1851.

Meurs. Mortimer & Moubray—Gentlemen: The cure of Mr. Robert Gauit, by the use of three bottless of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely exeruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persussion, he was induced to try your invaluable Tincture. I was promoted to remark at the time, that if medicine would cure Mr. dault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully.

JAMES P. MERRITT,

Devoted to African Colonization and Civilization, to Literature and General Intelligence.

THE undersigned propose to publish, in the City of Washington, a weekly newspaper, bearing the above title, and dedicated to a sound morality in Politics, to the Union of the States, to the cause of African Colonization and Civilization, and to all topics of a high and general interest to their country and mankind. They will communicate to the public all important information they may obtain in regard to the Geography, Exploration, Resources, Commerce and Population of Africa; the state of the Slave Trade, and the measures best adapted for its suppression; and will enforce the duty of union among all Christian denominations in efforts to diffuse the knowledge of our Arts, Laberty, and Christianity, among the barbarous seeple of that Continent.

They will aim to render the journal an instructive and useful Family Newspaper, and to secure for its columns, as the public favor shall enable them, contributions, literary and scientific, of decided merit.

Thus Christian Stateshan will be of the size of the Home Journal or National Era, and exceed in size the Intelligences or the Union of this city; and, with but few advertisements, will be nearly filled with matter designed to be of interest to its readers.

It will be printed with new type, on fine white paper, and, in mechanical execution, be equal to the best newspapers in the country.
